

LOCAL HORSEMEN ATTEND RACES AT CROSSFIELD SPORTS

Four Didsbury horsemen entered their pacers in the harness races at Crossfield sports last Wednesday, June 18th, when they put on an excellent display of horse races for the large crowd present.

The Didsbury horses entered were Bertha Direct, owned by J. Calhoun; Prince Pointer, owned by Dave Sinclair; Churchill, owned by A.A. Gillrie; and Francis Cole, owned by Herb Sinclair.

There were three heats with each heat a race, and following is the result:

1st Heat—Jas. Calhoun: Dave Sinclair; Herb Sinclair; A. Gillrie.
2nd Heat—Dave Sinclair: Jas. Calhoun; A. Gillrie; Herb Sinclair.
3rd Heat—Jas. Calhoun; A. Gillrie; Dave Sinclair; Herb Sinclair.

Dave Sinclair says that his 16 year old "Prince Pointer" was going great guns last Wednesday and proved that old age was no handicap. Had it not been for a broken hobbie in the last heat he says he could have won the heat and top money for the day.

JULY RATION CALENDAR

Canning Sugar—Coupons Y6, Y7, Y8, Y9, Y10 become valid July 3.
Sugar—Coupons S54 and S55 become valid July 3. Coupon S56 becomes valid July 17.

LONG YEARS AGO

June 21, 1907

Local stores have signed an agreement to close their places of business every Tuesday, Thursday and Friday at 7 o'clock sharp. The stores will be open the other evening of the week.

Mr. C.L. Peterson is the proud possessor of five apple trees and with heavy bloom this year it has been proven that apples can be successfully grown in the Didsbury district.

Work on the flour mill building is being rushed and the structure should be completed and in operation before the crop is ready.

Rawdenville News Items—The cheese factory six miles away is now taking all the milk they can get.

Didsbury has entered a team in the Football League, which takes in all the towns along the C. & E. line.

Work is being rushed on the new school building and it is hoped to have it ready when school opens for the fall term.

LUTHERAN LADIES' AID TO HOLD PICNIC AT BUTTE

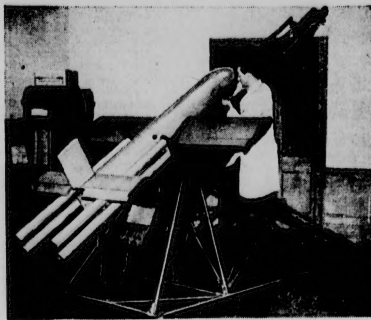

The regular meeting of Redeemer Ladies' Aid was held on Wednesday, June 18, at the home of Mrs. H.W. Folkman, where Pastor Fox spoke on "The Church and its Furnishings." He endeavored to show the meaning of the various parts and furnishings of the church, and how these play an important part in the Church service.

During the business part of the meeting plans were made for a Ladies' Aid picnic, to be held sometime in July at the Butte. Since the president, Mrs. A. Krebs, was unable to be present due to illness, the chair was occupied by the vice-president, Mrs. E. Fox. Two new members were also accepted at the meeting.

The meeting closed with a delicious lunch served by the hostesses.

BRITAIN'S FIRST RADIO-CONTROLLED PROJECTILE

The first United Kingdom pilotless radio-controlled rocket missile which has been under secret development for 18 months has now successfully completed a full range flight trial.

Using four 76 lb. thrust rockets, the maximum speed is far in excess of 500 miles per hour. This picture shows: Making some adjustments to Fairey guided missile while it is on launch ramp.

First Project of Community Centre To Be Covered Rink

The Memorial Community Centre Council held its first meeting in E. Reiber's office on Thursday, June 19, 1947 with the following members present: Bill McFarquhar, Bill Payne, Harry Richardson, Ed Klineck and Art Reiber. Election of officers was the first order of business and Art Reiber was elected chairman, with Bill McFarquhar treasurer.

It was decided to contact the proper persons to draw up a necessary constitution so that matters pertaining to expenditures and control of the proposed centre could be properly handled and that the organization would be a continuing one.

After considerable discussion it was definitely decided that the site for the proposed Community Centre should be the land directly behind Payne-Freeman Co., running from East Railway Avenue to Lackner Avenue. The town council will be immediately informed of the land desired, and contact will be made with the architect with respect to a location plan.

It was also definitely decided that the first project is to be the covered skating arena and that work on this project is to begin at once.

The proposal of the curling club to put up a building in connection with the Community Centre was then discussed and it was decided to withhold further discussion of their proposals until the architect had been contacted. In any case the entire cost of a curling rink will be assumed by the curling club.

Later the Council visited Wetaskiwin, Ponoka, Lacombe, and Airdrie. Trochu, viewed their covered rinks and discussed plans, costs, etc. with the builders. Much valuable information was gathered from the trip with respect to the type of arena which would be the most satisfactory.

The necessary cement for the foundation of the covered skating rink has been purchased and as soon as the ground can be surveyed work will begin.

Meetings of the council will be held weekly, and members are determined that Didsbury shall have a covered skating rink this coming winter.

NEW ALBERTA SPEED LIMIT OF 50 MILES PER HOUR

Premier E.C. Manning announced Friday that effective July 1st, a speed limit for motor cars of 50 miles per hour, and 40 miles per hour for trucks, will be adopted on all provincial highways.

At the present time there is a speed limit of 40 miles per hour for trucks, but there has been no designated speed limit for passenger cars.

The new speed limit of 50 miles an hour will be a handicap for Doc Summers, who says his new Oldsmobile just cruises nicely at 80 miles per hour.

JUNIOR CALF CLUB RALLY AT AGRICULTURAL SCHOOL

A successful Junior Calf Club rally was held recently at the Olds School of Agriculture, with four dairy clubs and two beef clubs represented. The Dairy Clubs included members from Elnora, Bowden, Didsbury, Sundre and Olds, and they judged Holstein cattle from the Agriculture school herd. Victor Bjorkland, chairman of the Agriculture Service Board, of Red Deer, and James Wood, Elnora, chairman of the Central Alberta Dairy Pool, supervised the clubs during the judging.

Mr. Hugh McPhail, assisted by Ed Noad of Olds, arranged the judging for the Beef Calf clubs. They judged the Aberdeen Angus cattle of the Agriculture school herd.

Following the judging the members and their parents enjoyed a picnic lunch on the school grounds, after which they had a softball tournament.

PLAN JUNIOR EXHIBITION AT ACME NEXT YEAR

The community of Acme is planning a giant Junior Exhibition for the summer of 1948, and plans are already underway to make this an outstanding success. It will consist of Junior projects of all kinds including livestock, seed grain, livestock judging, garden produce, and sewing, cooking and horticulture. In fact, the committee is prepared to give consideration to any worthy project brought to their attention. Sports will also be included in the program.

This will be different from the usual Junior exhibitions, since it will be open to anyone, anywhere, under 21 years of age, whether connected to a Junior club of working alone.

The Agriculture committee of the Curling club is sponsoring this event, and Claude Webb is chairman.

\$160 IN PRIZE MONEY AT CALF CLUB FIELD DAY

About 300 attended the Beef Calf Club Field Day recently held at Albert Alm's Kalamata Farm east of Olds. The West Didsbury, Olds, Eagle Hill, Carstairs, Madden and Grainger Beef Calf Clubs participated, and the members judged classes of Hereford cows, calves, bulls and steers.

The steers shown are being fitted for the Toronto Royal and are owned by Ed Noad and Albert Alm.

In addition to \$50 in prize money donated by the Calgary Kiwanis Club, Mr. Alm donated \$50 and the Department of Agriculture \$80.

F.N. Miller, principal of the Olds School of Agriculture, gave an address following a picnic lunch. Club leaders, including Mr. J. Hughes of Didsbury, also spoke.

BUSINESS PLACES IN DIDSBURY TO CLOSE TUESDAY AND WEDNESDAY

The business places in Didsbury, by mutual consent, have decided to remain open all day Monday, June 30th, but will be closed Dominion Day, July 1st, and all day Wednesday, July 2nd.

They will re-open for regular business Thursday morning, July 3rd.

233 BLOOD DONORS REGISTERED HERE

Red Cross Blood Donor Enrollment week in Didsbury was a complete success, and while the returns have not all been handed in from country points, the number who completed the forms up to Monday afternoon was 233, which is an exceptionally good registration for a community the size of Didsbury, and much credit for the large enrollment goes to the Chairman, Art Reiber, and his active committee, who had charge of the enrollment.

Anyone who has not signed an enrollment form, but who is willing to make a blood donation when the Red Cross mobile clinic visits Didsbury next fall, can complete a form online by calling at C.E. Reiber's office.

The Committee wishes to thank all who signed Blood Donor Enrollment forms, as well as those who so generously gave their time and assistance during Enrollment Week.

GRADES IV AND V JUNIOR RED CROSS MEMBERS HOLD SALE

The Junior Red Cross members of the Grade IV and V room in the Didsbury school held a sale of articles that they made during the year.

The sale was well attended by the other pupils of the Public school and \$9.50 was made, bringing the amount to be sent to the Junior Red Cross up to \$20.00.

BERGEN NEWS NOTES

Mrs. Esther Clemens was a recent Calgary visitor and had her teeth examined.

Congratulations to Andy McCormick on his recent marriage to Miss Stella Richardson in Calgary.

Mr. and Mrs. Joe Haug, Martin Haug and daughter, and Mrs. Kittredge of Castor attended the reception held at the Percel Blain home after the wedding.

Even Alce Moore is unable to navigate these bottomless pits with his jeep. Fred Burnt has a temporary bridge which he places over the worst holes.

There were showers and a charity planned for the Tyngie House. Holmes initiation but on Friday the 13th I went to bed. The happy couple received a number of beautiful and useful gifts and are content to live on the S.E. of 3-22-5-5, just west of the cemetery.

The trucks have done something to the roads and bridges. The owners pay for the use of roads and it is not their duty to build them. The money paid for licences should help to keep them in shape.

Rev. Habermehl, accompanied by two of his sons, is home from Ontario. Taking the weather into consideration, he likes Alberta pretty well.

Toby and Paul Baerg and Paul Toews are wrestling with the roads trying to haul lumber.

Bob and Mary Payne were out on Sunday to visit Mary's parents.

Howard Stevens has been out here for a few weeks trying to put in some grain and do some fencing.

Some of these news notes are ancient history but have patience until a better day.

DIDSBURY MUNICIPAL HOSPITAL SHORT OF NURSES

A notice in this issue of "The Pioneer" advises ratepayers that the Didsbury Municipal Hospital will accept only emergency cases after July 1st, unless additional nurses can be obtained to bring the staff up to normal requirements.

Hospitals all over the country are short of nurses and ratepayers are urged, for the time being, to refrain from going to the local hospital unless absolutely necessary.

Purebred Holstein Class At The Didsbury Exhibition

Final plans are now being made by the Directors of the Didsbury Agricultural Society for the forty-second annual exhibition to be held on Wednesday, July 16th, and the following committees are in charge of the various activities:

Finance and Advertising—Tom Morris and C.E. Reiber.
Grounds—S.O'Brien, B.T. Parker, I.L. Klein and G.C. Leeson.
Connections—C.E. Reiber.
Sports—Jas. Calhoun, H. Lynch, Staunton and T.E. Scott.

Department Superintendents—Gates: W.W. Gillrie, Ed Ford and W. McFarquhar.

Horses: L.L. Klein and H.E. Oke.
Dairy Cattle: G.C. Leeson and George Youngs.

Beef Cattle: John Francis and Abe Snyder.

Swine and Sheep: P. McNeill and R. McNeill.

Poultry: D.N. McDonald and Geo. McDonald.

Inside Exhibits: Mrs. E.L. Clarke, Miss O'Brien, Mrs. J.R. Stevens, Mrs. Topley, Mrs. Ed Klineck and Mrs. A.M. Robertson.

A few changes have been made

FALLEN TIMBER NOTES

Mr. and Mrs. Joe Teynor visited in Edmonton on Wednesday and Thursday of last week.

Mr. and Mrs. Ray Teynor have moved into their new house at McGaffin's and Howton's mill.

The Fallen Timber Busy Bees are holding a bazaar and fish pond at the annual school picnic, which is to be held at the school on Friday, June 27.

Mr. and Mrs. W. Dick and son, Gene left on Monday for an extended trip to the west coast. They expect to visit their daughter, Mrs. Harris, at Victoria, and Mrs. Dick's parents in Oregon.

Mr. Glen Cooper, who is attending Western Canada High in Calgary, spent the week end with his parents.

Gordon McGaffin had his tonsils removed on Friday at the local hospital.

Mrs. J. Howton is spending the week end with her parents, Mr. and Mrs. C. Moore of Calgary.

The Burns Road has dried up enough to allow trucks to haul lumber from the local mills.

Miss Beth Mellon returned to Calgary on Saturday after visiting with friends in the district.

Harry Montgomery left for Vancouver on Wednesday. He expects to reside there with his parents.

Les Polier returned from his holidays on Saturday. He has been visiting relatives in Carstairs, Calgary and Red Deer.

Born to Mr. and Mrs. Harold Morrison at the Olds hospital, a son.

Mr. Al Steekly and son, and Mr. Joe Ross each hauled out a big load of lumber on Monday.

Mr. J. Cooper, Olive and Jimmy were Didsbury visitors on Saturday.

FRED EVANS WINS CHALLENGE CUP

The Golf Club Challenge Cup has again changed hands. Fred Evans having won it from H. Wood, when both players completed the 18 holes in 80. Fred Evans' handicap was 8, while H. Wood had a handicap of 6, making the net score 72 for Evans and 74 for Wood.

The cup is still open for challenge and any member of the Didsbury Golf Club is eligible to challenge the winner.

ZELLA NEWS NOTES

Adam Luft disposed of a family of skunks last week which had been killing his turkeys.

The Dave Janzen family has moved into the house vacated by the Cogswells.

Miss Jean Durant was a week end visitor with Mr. and Mrs. Arthur Waldrott.

The school picnic will be held at the river as usual on Friday, June 27, commencing at one o'clock and everyone is welcome. A picnic supper will be served at five o'clock with coffee being supplied. Please bring your own dishes.

in the prize list since it was printed. An extra class has been added for Registered Holstein cattle, and will include the ten classes the same as for Registered Dairy cattle, sections 60 to 69.

In Section 75—the Dairy Herd—"All entries are to be of same breed of dam."

The posters will be out this week end announcing the exhibition and sports prizes, and in the meantime local farmers and townspeople should begin to prepare their entries in as many classes as possible. "The more entries, the better the fair," should be the by-word of all exhibitors.

If you haven't received your copy of the Didsbury Agricultural Society Prize List, one can be procured from the secretary, C.E. Reiber.

THREE CANDIDATES TO CONTEST ELECTION IN DIVISION 7 OF M.D.

Returning Officer George Youngs has announced that three candidates have been nominated to contest the Council vacancy in Division 7 of the Municipal District of Mount View No. 49, caused by the resignation of B.C. Trimble.

At the close of the nominations on June 16 there were three candidates nominated, Earl Dodd, Expedersen and Samuel Boffy, and ratepayers in Division 7 will vote on Monday, July 14, polls being open from 9 o'clock in the morning until 5 o'clock in the afternoon.

WALTHER LEAGUERS MAKE PLANS TO ATTEND RALLY

Because some of the members of the Redeemer Lutheran Walther League were busy writing exams during the first part of the week, the regular meeting was held on Thursday, June 19, at the home of Mr. and Mrs. Fred Reese.

The meeting was opened with a topic discussion of Mount Carmel. On the basis of the events occurring on Mount Carmel, it was shown that the statement, also made today, "It does not matter what one believes as long as he is sincere," was absolutely wrong. Sincerity in faith will not help a person unless he has the true faith.

After a number of games and a quiz, enjoyed by 23 young people, a tasty lunch was served by the hostesses. Plans were also made for a large group of Leaguers from Didsbury to attend the Spring Walther League Rally to be held Sunday, June 29, at Paradise Grove, south of Calgary.

CARSTAIRS ANNUAL CALF CLUB SALE ON JUNE 30

The Carstairs and District Board of Trade will hold its Fifth Annual Junior Beef Calf Club Show and Sale at Carstairs stock yards on Monday, June 30. The judging will commence at 10 a.m. and the sale at 1 p.m. M.S.T.

In previous years there were four clubs taking part in this sale. This year the following six clubs are participating:

Avondale Junior Calf Club, Grainger; West Didsbury Junior Calf Club, Didsbury; Olds Junior Calf Club, Olds; Eagle Hill Junior Calf Club, Eagle Hill; and Madden Junior Calf Club, Madden.

These six clubs will bring in a total of about 120 calves for the show and sale. Archie Boyce will be the auctioneer.

LET'S ALL CO-OPERATE

At a recent meeting of the joint committee of the Didsbury Lions Club and Didsbury branch of the Canadian Legion, it was decided to go ahead with the plans for the building of a covered skating rink in town and it is hoped to start construction as soon as material arrives.

While there were a number of advocates for a community hall, and also for a swimming pool, it appears that neither project is feasible if funds have to be raised by an individual organization. Under the plan whereby the hall fund and the swimming pool fund will be combined it will be possible to build one community project—the covered skating rink—and now that the decision has been made we believe that everyone should give the project their full support.

It is only by co-operation that we can expect to complete the Community Centre plan, which calls for an auditorium, a swimming pool and a covered skating rink, and the rink project appears to be the first project which is to be undertaken.

After all we do need a covered skating rink, and it is going to be constructed, despite opposition to the project. Since the plans are laid, we can do no less than extend our full co-operation and at least get one project for Didsbury while it is possible to finance it.

Let us all put our differences aside, join with the Lions Club and Legion, and help them all we can to build a modern skating rink in Didsbury.

WHAT IS "INSPIRED DEMOCRACY?"

The word "democracy" has suffered much discredit from two causes. First, it has been misused and twisted by extremists of right and left who have made it by turns a butt for their gibes and a cloak for their totalitarian aims. Second, it has sometimes stood for nothing much except inefficiency because we, who inherited the benefits of democracy, have failed to live in a way that makes democracy possible.

For democracy in its true sense can only be made up of those who deliberately prefer the good of the whole to their own selfishness. Its essence is not the wide sharing of privilege but the wide sharing of responsibility. The strength of democracy is thus the strength of human character. But the evidence of history teaches that, even at its best, human character is not enough.

And so today we must look beyond the purely human conception of democracy to the further vision of an inspired democracy in which every individual not only contributes his own best but is also instructed and guided by God Himself.

Inspired democracy will not come about by the action of a few leaders appealing to the self-interest of the masses, playing down to human nature instead of pointing men to their true destiny. It can and will come to the leaders and to the millions of ordinary people and families through the new quality of life and the new teamwork which God gives to those who listen to Him and obey Him.

In an inspired democracy every individual enjoys to the full the "perfect freedom" of obedience to the still small voice of God—freedom to realize his highest ideals and the best that is in him. In an inspired democracy every individual, whatever his background or brain power, has an equal chance of playing a decisive part. For everyone can listen to God. And everyone whose heart is willing can be used by God here and now in the remaking of the world.

LETTER TO THE EDITOR

Dear Editor,

It is unfortunate that the Didsbury Legion has seen fit to change the original objective of the recent public appeal from a Memorial Hall to a skating rink. Ever since its formation after the first world war it was the ambition of the Legion to have a Memorial hall, a "retreat" where the "Torch" could be ever kept alight. There were not many returned men in those days, but the faithful few who carried through these long, hard years never lost sight of their goal, and with the return of the men from this last war had every reason to hope that the hall would become an accomplished fact. Alas, "The plans of mice and men, go oft a-gley." The real objective of the appeal, a memorial to commemorate the sacrifice of the 60,000 who gave their lives in the first war, and the 40,000 in this last war, seems to have been overlooked. To those who served with our "Fallen," the ageing, the broken and the maimed, a skating rink could be no "retreat." The atmosphere is lacking and a "Silence" could have no significance.

As a tribute to Barbara Ann Scott a skating rink would be appropriate, but in relation to this objective it is meaningless. While it is unlikely that any support already given or promised will be withdrawn it is doubtful if the response, especially from the country district, would have been as generous had this change been anticipated.

Didsbury could and would have found ways and means to provide a skating rink for its young people. This is written not from any desire to criticize, but from a deep sense of regret.

-275-

FALLEN TIMBER NOTES

Mr. W.H. McGaffin and Harry McGaffin of Didsbury visited friends and relatives in the district last Friday.

A pair of bluebirds took up residence in the entry to Fallen Timber school early in the spring. Latest reports say the young birds left the nest Monday.

Many of the local residents visited Didsbury on Saturday. We noticed Mr. and Mrs. J. Teynor and family, Mr. and Mrs. Cooper and Keith, Mr. and Mrs. J. McGaffin and family, Mr. Donald McMullen, and Mr. Billie Dick.

It happened one night when the fight wasn't pleasing the fact. The two fighters did nothing but circle each other; not a punch was tossed. A bored silence settled down on the arena.

Then: "Hit him now, yah bum!" a spectator yelled. "You got the wind wit' yah."

Seamless nylon stockings are advertised to give that bare-legged look. What's the matter with the real thing?

YOU PAY THE SAME for Counter Check Books, whether you order them from a salesman, or from The Didsbury Pioneer. Buy at home and support local industry.

W. I. HOLDS SUCCESSFUL CONFERENCE IN DIDSBURY

The Didsbury W.I. constituency was represented by about six of its branches at the conference held in the Didsbury United Church on Monday, June 23rd.

Mrs. Pearson presided in the absence of the convenor, Mrs. Hogg. The District Director, Mrs. Howes of Millet, paid her annual visit and gave much helpful information.

The guest speaker, Miss Anderson of Red Deer, spoke on "The Modern Trend of Textiles," and had samples of many new fabrics. She also judged the handicraft exhibits, which were classed as follows: Westcott 1st, Mt. View 2nd and Rugby 3rd.

Reports from the various departments showed the work done during the year, and with the war work over, we are hoping for an increase in Institute membership. It seems only natural that many Red Cross groups should become Institute branches.

The provincial project for the W. I. is the Cancer fund.

CROPS ARE BEING IMPROVED

(By H.G.L. Strange)

The "Crop Testing Plan", which operates on a non-profit basis, has distributed during this past year between professional seed growers and farmers 44% more Registered and Certified seed than it did last year, and last year itself showed the highest sales in seventeen years. This means that the quality of prairie crops, particularly of wheat is certainly being improved year by year. The ever-growing publicity to farmers by Crop Improvement Associations, including the "Crop Testing Plan" has undoubtedly had much to do with these increased sales.

Of the wheats Thatcher was in the greatest demand. Next to Thatcher came Red Bobs with Regent in third place. With the oats, as usual Victory was far and away in advance of all other varieties, next to Victory coming Eagle, with Laramie third. With the barleys, O.A.C. 21 again was the most popular variety sought by farmers, with Oll next and Warrior in third place.

It will be observed by this that farmers tend to follow the advice of St. Patrick to "Hold fast to that which is good". New varieties, therefore, now becoming available will have to prove themselves to be better in the field than existing sorts before they will displace the present varieties.

Tortoise-shell cats are always female.

OPPOSES RAIL RATE BOOST

The Saskatchewan livestock industry is earning \$7,500,000 a year for Canadian railways, and cannot stand a 30 per cent freight rate increase. This statement was made by George W. Robertson, secretary of the Saskatchewan Wheat Pool, in a brief presented to the board of transport commissioners in Regina last week. The Saskatchewan Wheat Pool was speaking for the livestock producers of that province, as it operates a livestock commission department along with its extensive grain handling business. Mr. Robertson said, speaking for the Pool's livestock operations, an increase of 30 per cent in rail rates would mean an impost of nearly \$10 million on the livestock branch of the province's agricultural economy, and the only source from which the amount could come was from the livestock shipped. The producers would have to pay the cost.

JOHN METZGAR, OLD TIME RESIDENT, DIES AT PARKER HEIGHTS, WASHINGTON

Funeral services for John Metzgar, who died at his home at Parker Heights, Wash. on June 11th, were held June 14th at Watato, Wash., with Rev. Woods, D.D. officiating. John Metzgar was born on April 15, 1860, and was 87 years of age. His parents, Jacob and Sarah Metzgar, came west to Missouri when he was ten years of age. He was married to Mary Elizabeth Shadinger on April 3, 1881. To this union nine children were born. Mr. Metzgar moved to Canada in 1906 and resided in the Didsbury district until moving to Parker Heights in 1945.

Mr. and Mrs. Metzgar celebrated their golden wedding at Penticton, B.C. in 1931 when all their children were present except Bertha, the oldest daughter, who passed away May, 1914. They celebrated their diamond wedding at Rossland, B.C. in 1941. Their eldest son, Ralph C., gave a celebration in honor of their sixty-fifth wedding anniversary in 1946 at his home in Parker Heights. These occasions will always be a happy remembrance for his wife and children and friends who were present at his bedside during his last illness. To care for him were his wife, his sons, Ralph, Henry, Harold and George, and his daughters, Ida, Barbara and Ruby. His last few days were full of suffering, and he closed his eyes in rest at seven o'clock p.m., June 11th.

A member of the Methodist Church at Craig, Mo., Mr. Metzgar leaves to mourn his loss his wife; four sons, Ralph, Henry, George and Harold; three daughters, Ida, Barbara and Ruby; twenty-one grandchildren and forty-one great-grandchildren; a brother, Harrison Metzgar of Mound City, Missouri; and a sister, Maggie Wehrl of Mound City, Missouri.

Palbearers were Russel Leivingston, Edgar Mitchell, Elmer Watson, Augie Wernich, Lees McCurdy and Dan McDonald.

Out-of-town relatives who attended the funeral were Mr. and Mrs. Jack Carr, Rossland, B.C.; Mrs. Ruby Erbe, Byemore, Alberta; Mr. and Mrs. Chas Teare, Ryley, Alberta; Mrs. Barbara Wilson, Seattle, Wash.; and Mr. and Mrs. Henry Phelps, Oliver, B.C.

HOG MARKETING UP

Total marketings of hogs for the month of May were 8.2 per cent higher than May, 1946, according to L.W. Pearsall, chairman of the meat board. This was due to increased marketings in Eastern Canada, which were 36 per cent higher than last year. Western Canadian hog marketings were down 20 per cent from last year during the month of May.

IMPORTS ESTABLISHED NEW TRADE RECORD

Canadian imports reached a record high last year when \$1,927,000,000 worth of goods were brought into this country from abroad. The 1946 figures were the highest ever recorded in Canada's history. They compared with 1945 imports valued \$1,586,000,000, and an average of \$685,000,000 for the years 1935-39.

LARGE MEAT EXPORTS GOING TO UNITED KINGDOM

United Kingdom authorities have agreed to purchase a minimum of 120,000,000 pounds of beef in Canada this year, at a top price of \$24.25 per 100 pounds.

Under the existing U.K. contract for bacon and hams, Canada has agreed to supply in 1947 not less than 265,000,000 pounds but it is known that Britain is anxious to obtain 350,000,000 pounds. Price up to Sept. 1 will be \$27 per 100 pounds for Grade A Wiltshire, f.o.b. Canadian seaboard. For the last four months of 1947, it will be raised to \$29 per 100 pounds. Other United Kingdom contracts have now been signed for such items as lamb and mutton, beef and pork offals, ox tails, canned meat lunch, and hog casings.

1946-49 WHEAT PRICE

The price for wheat under the British-Canadian agreement has been fixed at \$1.55 a bushel basis northern Fort William for the first 2 years of that agreement. In the case of the third year, 1948-49, a floor of \$1.25 was fixed, but the actual price must be negotiated before the end of 1947—the present year. In such negotiations it is plainly specified that the British government will have regard to the higher world prices now prevailing. This would suggest that the price of wheat for 1948-49 should be substantially above the indicated floor of \$1.25.

COUPON VALIDITY DATES FOR CANNING SUGAR ADVANCED

For the information and guidance of housewives and home canners generally, the Wartime Prices and Trade Board has pointed out that the validity date for canning sugar coupons has been moved forward from July 17 to July 3, thus enabling canners to preserve early fruit packs as they ripen in various parts of the country.

This validity dates for all sugar during the month of July will be as follows: Thursday, July 3, Y6 Y7, Y8, Y9, Y10, S54 and S55 Thursday, July 17, S56.

Sale of toy pistols is illegal in New York city.

EXPERIMENT WITH MASS PRODUCTION OF FISH

For the past five years, United Kingdom scientists have been experimenting with the mass production of fish in a man-made sea, in the hope of bringing more food to the empty tables of Britain and the Continent. They are speeding up nature's cycle by fertilizing the sea water with chemicals. The results have been dramatic. Some fish are growing at twice their normal rate and sometimes even more quickly. A loch on the west coast of Scotland has been dammed off to provide an enclosed experimental area and the water is fertilized by the continual addition of nitrogen and phosphorus, which cause the small sea plants on which fish feed to grow in greater abundance. In the fertilized water, fish reach a marketable size in three years instead of the normal six. Once operations can be extended to a really large field, it is expected that the fish market will be doubled.

ALBERTA GOVERNMENT SPRING CROP REPORT

GENERAL: Subsoil moisture supply is generally good throughout the province, with surface moisture fair to good. Rain over much of the province during the past few days has been beneficial but warmer weather is now required. Condition of crops is fair to good. Some reseeded areas have been necessary as a result of frost and winter killing.

FIELD CROPS: Seeding is nearing completion and all grain crops will be sown by the end of this week. Wheat is now 4 to 7 inches and coarse grains 2 to 4 inches. Frost damage to wheat and oats varies from slight to moderate. Damage to barley was moderate in most areas but the effect of the frost on flax has been more severe. Need for reseeding in areas affected varies between 2 to 30 per cent. Winter rye has also suffered considerably as a result of frost. Slight outworm and wireworm activity is reported. Fair to good hay crop prospects are indicated.

LIVE STOCK: Improvement of pastures is evident following recent rains and live stock are in fair to good condition. There is keen demand for all classes of good breeding stock. Prices for high quality meat animals continue satisfactory.

DAIRYING: Dairy production for the month of May has been approximately the same as in May 1946. A slight decrease in amount of butter produced is offset by a small increase in cheese and a very appreciable increase in ice cream production. With favourable weather conditions prospects for definite increases in all products are indicated for June.

CHEVROLET PONTIAC OLDSMOBILE BUICK CADILLAC CHEVROLET and GMC TRUCKS

Only one Canadian woman of 48,000 serving in World War 11 was killed as a result of enemy action. 71 died of illness or accident. 37 were wounded by bombing. 14 army nursing sisters were injured in Sicily, and two taken prisoner in Hong Kong.

Scientists at the University of Saskatchewan are making plastic from flax. . . .

Three persons near Paris, France were bitten by a mad bull that had been bitten by a mad dog. After treatment they recovered.

YOUNG FRY WILL GET THEIR "HOT DOGS"

The Wartime Prices and Trade has announced that during the remainder of June and throughout the months of July, August and September, the meatless day regulations are being modified to permit the serving of wieners or frankfurters on Tuesdays and Fridays in order to allow them to be sold at such gatherings as fairs, exhibitions, picnics or out-door conventions.

The new order makes no change in the meatless day observance regulations as they apply to hotels, place where meals are regularly served, and where facilities are such that other foods are easily prepared.

ADVISES FARMERS ON SUMMERFALLOW METHODS

Moisture conservation is the most important reason for summer-fallowing. To minimize loss of any moisture weeds must be controlled and all work done at the proper time. On the Dominion Experimental Farm at Indian Head and the sub-stations the aim is to complete the first operation in May and at the latest in early June. Any delay results in a definite lowering of the moisture conserved and a reduction in the yield of grain the following year. The one-way disk or the disk is used for the first operation. By finishing this work early the first crop of weeds will be killed before the rains in June, hence excessive growth, resulting from the inability to work on the land, will be prevented. If the combine stubble is heavy a second operation with the one-way may be necessary but if the cultivator can be used it is preferable. The following operations should be done with the cultivator or an implement that will not chop and bury the stubble. Most weed seeds, particularly annuals, germinate best when near the surface, wild oats when covered with about one and one-half inches of soil. For annual weed eradication shallow cultivation is essential.

During the past few years a heavy growth of volunteer grain has been noted on many summer-fallow fields in the fall. The last operation before harvest should be planned so that most volunteer grain is destroyed about that time. If this is not possible and the fields have a very heavy cover in the early fall they should be cultivated. If this growth is not excessive and is left it will act as a natural cover crop and aid in the control of winter or early spring soil drifting.

TALK SCHOOL SAFETY MEASURES IN ALBERTA

Attention of school board authorities in various parts of the province has been drawn to the need of urging children to walk on sidewalks instead of using the centre of streets or highways.

This condition has been taken up by officials of the Alberta Motor Association as concern has been expressed over the prevalence of the dangerous practice.

Teachers have been asked to speak of the danger and warn pupils against using traffic lanes utilized by vehicular traffic. Some accidents of this kind have occurred and it appears advisable that fresh steps should be taken to ensure greater safety for school pupils who should use sidewalks when such are available instead of risking physical injury on the street or highways.

One suggestion which has won warm support is some places is that painting of the word "School" on the surface of the street near a school would be of greater value to motorists than the usual roadside signs now displayed near schools. Such painted surfaces have given good results when tried out in other parts of the country.

PLEASE PHONE OR BRING IN YOUR NEWS ITEMS

This newspaper cannot make a house to house canvass for news, but it is always glad to have it 'phoned or handed in. We want all the news. We are just as pleased to mention your guests or your visit as to mention doings of your neighbors—but maybe your neighbors co-operated with us in getting the facts. Please let us have your news items. Our columns are always open to them. And remember they must be in before Tuesday noon, if at all possible.

Harking back to grandmother's day, home-made soap is sold at the weekly market at Brockville.

USE AIRCRAFT TO HUNT SEAL

A twin-engine Lockheed aircraft is now being used to help Newfoundland seal hunters find the mammals on icecaps off the island's coast.

J.C. Britton, Canadian Trade Commissioner at St. John's, reports that the present seal hunting season may continue until the end of April, depending upon ice conditions. The Newfoundland catch is generally taken from the area between the Strait of Belle Isle and Cape Bonaville.

Because of the world shortage of fats and oils, it is anticipated that the 1947 price for No. 1 seal oil will be higher than the \$1.22 per gallon price collected last year. Seal fat prices last year were \$10 cwt for harps and \$7 for bedlamers.

MILLION DOLLAR GIFT FROM CANADA

Radium and radium accessories valued at approximately \$1,000,000 are being purchased by the Canadian Commercial Corporation, acting on behalf of UNRRA, as a gift from Canada to hospitals and medical institutions in Poland, Yugoslavia, Czechoslovakia, China, and the Ukraine.

W.D. Low, managing-director of the Corporation, has announced that the radium contracts will be placed with Eldorado Mining and Refining Ltd. Payment is to be made out of the \$154,000,000 total which the people of Canada donated to UNRRA.

The important thing in democracy is not the idea that the majority rules but the idea that rules the majority.

YOU ARE CORDIALLY INVITED

CHALLENGE TO DAIRYMEN

The recent announcement of the Federal Government which ended rationing on butter and evaporated milk and lifted ceiling prices on all dairy products provides a real challenge to the dairy industry. D. H. McCallum, Dairy Commissioner for the Alberta Department of Agriculture, advises that there is a tremendous demand on the domestic market for all dairy products. In addition, agreements have been completed with the United Kingdom which require that Canada export 125,000,000 pounds of cheese; 600,000 cases of evaporated milk, and 8,000,000 pounds of skim milk powder this year.

Prices in the principal Canadian markets have strengthened since this announcement, and the additional revenue from cream and milk will no doubt encourage producers to meet this demand.

To the people of the United Kingdom, many of whom had not seen a Canadian apple since the outbreak of war, Canada shipped 73 percent of her 1946 apple exports. A total of 1,577,085 barrels, valued at \$2,281,643, were made available for export last year. Of this quantity, 1,151,054 barrels were set aside for the United Kingdom.

Economical Housewives

There was a day when the housewives bought the far away "bargain" in the belief that it was good business to save a few pennies. But experience taught them a few things. Today's housewives do not buy blindly. They examine the article first and when satisfied with the product they pay a fair price at home. It is economical to make your purchases in

DIDSBURY

-: DISTRICT NEWS: -**BURNSIDE NEWS NOTES**

Mr. and Mrs. Pete Schumaker and Mrs. D.B. Wood were in Calgary last Thursday and visited with Mrs. Joe Clarke.

Fred Metz took a trip to Calgary last Thursday, when he went for medical as well as for business reasons.

Mr. and Mrs. Bert Pross were dinner guests last Sunday with their son and daughter-in-law, Mr. and Mrs. Howard Pross.

The Paga wedding dance at the Lone Pine hall on Friday, June 20, was very well attended. In fact there were so many present that there was neither sitting nor standing room, but all report a good time just the same.

The wedding of Miss Esther Ehret and Mr. Frank Moon is to be solemnized at Knox United Church, Didsbury, at 3:00 o'clock Wednesday afternoon, June 25th, and in the evening a wedding dance will be held at the Lone Pine Hall in honor of the newlyweds.

Born in the Didsbury hospital on June 16th to Mr. and Mrs. Gordon Bathurst, a son; and on June 16th to Mr. and Mrs. Johnny Kohut, a son.

Mrs. C. Mardon and Charlie were in Calgary last Thursday to see Mr. Charles Mardon, who is in the No. 2 wireless Convalescent Hospital. Charlie is progressing as favorably as can be expected and hopes to be back home sometime soon.

Mr. and Mrs. Otto Bittner spent Tuesday last visiting in Calgary with friends.

Mr. and Mrs. J.C. McCulloch were Calgary visitors on Friday.

Mr. and Mrs. Alfie Thompson had as their guests last Sunday Mr. and Mrs. Gus Bittner of Didsbury.

Brian Page arrived home last week end to attend the wedding dance of his brother, Mike, held at the Lone Pine Hall on June 20.

Mr. and Mrs. Walter McCulloch and family, and George Long were supper guests at the Brander home.

Mr. and Mrs. George Campbell of Carstairs spent Sunday at the Robert Eckel home. We are pleased to report the speedy recovery of George, who was a patient in the Calgary General hospital for some time.

Hank Campbell is just finishing sheep shearing in the district with his up-to-date electric machine.

Mr. and Mrs. Bob Jones had as their Sunday guests Mr. E.J.C. Boake and the Fisher family, of Arnie, and Messrs F. Dowell, Roy Dowell and Raymond Schumaker of Carstairs, and Mr. Vizo Torp. While in the district Mr. Boake, who is a well-known Shorthorn breeder, visited the farm of Mr. Snyder, who has an outstanding herd of Shorthorns.

WESTERDALE NOTES

The Westerdale baseball team played at Harnattan last Wednesday evening and were defeated by a 9-8 score. On Friday evening the Waterside team trounced the local 14-5, but on Sunday our team managed to squeeze out an 8-7 win over the Hillcrest team.

Work on the Hall kitchen is progressing favorably. On Monday of this week 17 men helped pour the cement. The ladies served them dinner and lunch in the Hall. Work will be at a standstill for the remainder of the week while the cement hardens.

Mr. and Mrs. W. Herbert, accompanied by Mr. and Mrs. J. Cowie motored to Banff for the week end.

Mr. and Mrs. B. Pross, Mr. and Mrs. L. Pross, all of Didsbury, were Sunday guests at the home of Mr. and Mrs. T. Bolton.

Mrs. Howe of Cresswell, Oregon, arrived at the home of her daughter, Mrs. W. Herbert, last Sunday, where she intends to spend the summer months. Mrs. Herbert also has two grandsons, Allen and Brian Rundle of Calgary staying with her while Mr. and Mrs. Rundle are holidaying at the coast.

The next home baseball game will be played on our picnic day, Wednesday, July 2, when Elkton will be the visiting team.

We regretted to learn that Mr. Jim Nelson suffered a serious shoulder injury while attending a ball game here on Sunday when a player knocked him on the shoulder while fielding a foul ball. Mr. Nelson is receiving treatment in the Didsbury hospital. We wish him a speedy recovery.

WESTCOTT NEWS NOTES

Much activity is seen around the Dog Pound these days, and especially Sundays. I am told the fishing is great.

A few families from this way attended the A.F.U. picnic at Melvin Saturday and thoroughly enjoyed themselves.

Mr. Leonard Wright of Elkton was a supper guest at the Goetjen home on Saturday evening last.

We are glad to see that Mrs. Otto Folkman is able to be around again after having the misfortune to run a silver into her foot. Silver, did we say? No, we mean a good-sized piece of wood.

Mrs. John Jacobsen was a Calgary visitor on Monday last.

We hear that a couple of fellows went out west to find the Burma Road on Sunday last and by evening it ended up at Ed Berscht's so as to partake of the evening meal. Guess they got hungry.

Miss Deloyce Goetjen finished exams last week and is home for the holidays.

We were pleased to see Mr. Walter Bellemay of Cremona in Didsbury on Monday last. Mr. Bellemay has spent much of the winter in hospital and his friends at Westcott certainly wish for him continued progress back to health.

MELVIN NEWS NOTES

Don't miss the big dance at Melvin on Friday, June 27th. The Fox orchestra of Carstairs will supply the music.

Mr. and Mrs. L. Wollen are holidaying at Banff.

Lloyd Chandler has started construction on his new barn.

The Westcott W.A. met last week at the home of Mrs. Ross Youngs. Roll Call was answered by a Canadian writer or poet, and some of his work Mrs. P. Hosegood continued the missionary. Topical on India, which will be followed up at the next meeting by Mrs. A. Robertson. The July meeting will be held at the home of Mrs. Ed Klinek and Roll Call will be answered by a Canadian artist or painter.

Last Wednesday Melvin baseball team played at Olds, where they won 6-4. On Sunday at Carstairs they weren't quite so successful but it was an exciting game with the score 7-7 at the end of the ninth and overtime.

This Friday evening, June 27th, Carstairs will play at Melvin, so be sure to see the game. Quite a number attended the Farmers' picnic at Melvin last Saturday. After a delicious picnic lunch, several cafeterias in the Melvin hall, there was a softball game, children's races and a hardball game between Melvin and Elkton. This day, June 21st, is supposed to become a national farmers' holiday, but it is surprising how many farmers just can't seem to believe it.

"You say this woman shot her husband with this pistol and at close range?" asked the coroner of the eye witness to the colored tragedy.

"Yassuh."
"Are there powder marks on his body?"
"Yassuh. Dass why she shot him."

George McDonald, Don Freeman, Bill Rennie, Geo. Smith and David Rouleau spent a couple of days the first of the week at Pine Lake and plan on going west of Innisfail to try their luck in the streams before returning to Didsbury.

Mr. and Mrs. Lawrence Ferguson and family arrived Sunday from Vernon, B.C. and have been visiting with Mrs. Ferguson's sister, Mrs. E.T. Wiggins, and family.

Miss Donna Robinson and her little sister, Wendy Lee, of Stettler, are visiting with their grandmother Mrs. O. W. Stauffer.

Mrs. S. Shultz of Cremona spent the week end with Mrs. Ruth Eckel.

Miss Evelyn Klinec returned on Monday after graduating from Mt. Royal College, Calgary, and will shortly take up a position in the bank at Innisfail.

Mrs. Lee returned on Thursday from a three week's visit to Grand Forks, North Dakota.

Karl Marx, the German philosopher, died in London in 1883, and was buried in Highgate cemetery.

LOCAL NEWS

W.A. Austin attended the Synod of the Anglican Church in Calgary on Tuesday and Wednesday of last week.

Bob Jones reports a heavy frost at his farm 13 miles east of town, on Friday night. Potatoes and beans were frozen to the ground, and other vegetables suffered damage from the frost.

Mr. Peter Luft of Calgary arrived in Didsbury Saturday and spent the week end on the farm with his sons, Pete and Adam.

Mr. and Mrs. Geo. French left on Monday for a two week's visit at Grand View, Manitoba. Enroute they picked up their daughter and son-in-law, Mr. and Mrs. A.J. Wilson and two sons, of Drumheller.

Mr. and Mrs. Jack Gregory and family left Friday for their home in Victoria, B.C. after spending a short holiday visiting relatives and friends, and attending the Fox-Snyder wedding on Tuesday, June 17th, at Didsbury.

Four heavy 6 ply 6.50x16 Tires. Driven 150 miles. Latest rubber at big reduction.—Cassidy Lumber Yard.

A family dinner was held at the home of Mr. and Mrs. Harry Richardson on Sunday, honoring Mr. and Mrs. Bert Richardson of Port Alberni, B.C. and Mr. and Mrs. Dick Baptiste, who recently returned from England.

Mr. and Mrs. Len Berscht and Judy, and Mrs. Harvey Stevens left last Wednesday morning on a business and vacation trip through the United States to Eastern Canada.

Miss May Douglas of Brooks, and Miss Verna Feeg, who are in training at the Royal Alexandra hospital at Edmonton, spent Sunday in Didsbury with the latter's parents, Mr. and Mrs. Gilbert Feeg.

Mr. and Mrs. Wm. McCulloch Sr. entertained Mrs. Mardon, Mrs. Bert Pross, Mrs. Viney and Mrs. Flanagan last Saturday at the McCulloch apartments.

Mrs. J.L. Clarke of Calgary was a Didsbury visitor Saturday.

A heavy thunder shower passed over town and district Monday afternoon, bringing additional moisture. Crops and gardens are looking healthy and with warm weather should make up the loss of growth caused by the backward spring.

The regular meeting of Didsbury Branch Canadian Legion, B.E.S.L. will be held in the hall on Thursday, June 26th, at 8 p.m. The meeting will start on time so as to finish up the business before the entertainment starts at 10 p.m. Entertainment will be provided in future at all meetings, after business is completed.

Mr. and Mrs. Jas. Smith and Roy left Monday for their home in Kelowna, B.C. after visiting for a couple of days with the former's sister, Mrs. E.J. Rouleau.

Born in the Didsbury hospital to Mr. and Mrs. Gordon Cathness on Monday, June 23, a daughter.

Fred Richardson, Don Garnier, and Mr. and Mrs. Dick Baptiste left on Monday for a week's vacation at Banff.

NOTICE

Owing to the shortage of nurses the Didsbury Municipal Hospital will be closed for everything except absolute emergency work, starting July 1st, unless nurses are secured in the meantime.

CARD OF THANKS

The Ladies' Auxiliary wishes to thank all those who helped to make the tea and food sale such an outstanding success.

CARD OF THANKS

Although words cannot express my appreciation, I wish to thank W. Smith, L. Hunter, Roy Dowell, O. Pedersen, A. Baptiste, Bob McCulloch, R. Reimer, S. Hooper, and especially to Mr. and Mrs. Greenville McCaig, as well as all others who so kindly finished the seedling of my crop while I was confined to the hospital.

ROB JONES

Orphan pigs should not be over-fed.
